We first did In.Car.Nation in the winter of 1997. There was an ice storm the first two nights and no one could drive to the show. But some came by foot.

We did the show again in 1999. And then in Rockport, Maine in 2004. We have all new video tonight and three new pieces. I hope we can someday take it on the road and go the whole way down Route 66. Thanks so much for coming tonight.

Special Thanks to Marcella Garcia, Elizabeth Mason, Angelica Brenner, Ken Webster, John Ready, G.C. Mahle, Mercury Charlie, Roxanne, Nadine, Betty Sue....and many many more....
