## Director's Notes

The Last Five Years is a story of endings, yes, of heartbreak and loss and the confusion that comes with the giving of your heart to another human being. It's a story of endings but also of beginnings, of the journey we take when we decide to be truly vulnerable and open with someone else. Jamie and Cathy afford us a fascinating look into our own hearts and minds and the way we enter into a true relationship with another person. Their story, in all its glorious messiness, is a story we all share.

On behalf of the cast and crew, enjoy the show!
